

May 2010

I have pleasure in enclosing the Kidderminster CTC rides list for summer 2010.

The list covers June to September and contains a mixture of rides and other special events. Our rides cater for all abilities, whether you'd like to go cycling for a couple of hours on a summer's evening, a half or full day ride or a weekend tour in a different area. There are a number of special events on the programme and these include the Breakfast Ride in June, a night ride through Mid-Wales in July and a Hereford and Worcester CTC group meet in September.

The club now has a Facebook group. This provides a useful forum to discuss recent rides, events and share photos. For further details and to become a member of the group, please see <http://tinyurl.com/32d7xey>. If you need any advice to set up an account or join the group please contact me.

If you've not ridden with us before you'd be especially welcome to join us and I look forward to seeing you on one of our rides. If you would like any further information on any ride or event please contact the ride organiser, club secretary, or myself. For contact details please see the information at the top of the rides list.

I look forward to seeing you up the lane, over the hill or down the road.

Best wishes,

Dan
